# ABOUT THE PROJECT

## Marina views in tropical Cairns

*Bluewater Bar & Grill* is a stunning, new venue, overlooking the Bluewater Marina in tropical Cairns, North Queensland.

This outstanding, state-of-the-art venue is superbly located and offers dining and relaxation for local residents and marina visitors.

Guests can choose to enjoy drinks and tapas on the deck while taking in the stunning water views, or dine indoors in air-conditioned comfort. The kitchen serves up a variety of food to suit all tastes and an extensive range of beverages ensures all patrons are kept smiling.

The family-owned venue easily caters for casual get-togethers, special occasions, weddings and corporate functions.

The bar and kitchen designs were all designed by Myriad Design in consultation with the owner (*Alex Sayers*), *Steven Sills* of *Reward Distribution* and *Williams Refrigeration*.

At each end of the downstairs bar are custom two metre high Cameo Star remote cabinets that hold red wine and white wine. The supply and install of the fridges were all done by *Reward Distribution* in Cairns.
